

CONSTRUCTION INSPECTOR

Christopher B. Burke Engineering, Ltd. (CBBEL) is looking for a Construction Inspector with a background in construction for our Construction Engineering Department in our Rosemont office. We seek out experienced and responsive professionals who are committed to personal service. Qualified individuals must be self-motivated and able to handle a variety of public sector clients.

Essential Duties and Responsibilities

- Serve as the onsite project representative
- Inspection duties
- Perform construction contract administration
- Develop probable construction cost estimates

Key Qualifications

- Associates Degree in engineering/construction or progressive experience in construction
- IDOT Documentation of Contract Quantities Certification Preferred
- Excellent leadership and communication skills (written and oral)
- Working knowledge and experience with state and local regulations
- Knowledge and experience with MicroStation and Microsoft Office

Our staff of over 200 consists of experienced and responsive professionals who provide engineering, surveying and environmental services on a personal level. Committed to delivering consistently accurate, timely and cost-effective solutions to a wide range of engineering and environmental challenges, our team's expansive list of specializations provides professionalism and a depth of expertise that promote project success. Our Construction Engineering Group focuses on a wide range of projects including roadway, utility, stormwater, parking lots, bike paths, parks, and pedestrian facilities for a variety of municipalities, counties, IDOT and Tollway.

We offer high growth potential and a comprehensive benefits package including medical, dental, life, disability, PTO days as well as an employer matching 401(k) program. Interested candidates should email their resume and any questions to Deanna Amelio, Human Resources Coordinator at damelio@cbbel.com.
