

MUNICIPAL ENGINEER

Christopher B. Burke Engineering, Ltd. (CBBEL) is seeking an entry level Municipal Engineer with a minimum of 1-4 years of experience for immediate employment to join our Municipal Department in our Rosemont office. We seek out experienced and responsive professionals who are committed to personal service. Qualified individuals must be initiative-taking and looking to manage a multitude of various projects. CBBEL is a full service firm that can comprehensively meet the needs of both private and public sector clients.

Essential Duties and Responsibilities:

- Perform entry level engineering support in the following areas: design and construction of site-civil, water, primarily focused in municipal engineering and design
- Assist Project Manager with project administrative activities, document controls and project scheduling
- Assist in review of development plans submitted to municipal clients
- Inspections of utilities, pavement, and erosion control on private developments on behalf of municipal clients

Key Qualifications:

- B.S. in Civil Engineering with an emphasis in municipal, transportation, or water resource engineering are preferred but not required
- Possess a minimum 1-4 years of design or construction experience
- EIT is preferred
- Excellent written and oral communication skills are required
- Knowledge of MicroStation preferred

We offer high growth potential and a comprehensive benefits package including medical, dental, life, disability, PTO days as well as an employer matching 401(k) program. Interested candidates should email their resume and any questions to Deanna Amelio, Human Resources Coordinator at damelio@cbbel.com.
